What is Tenantverify.in ?

We help Societies, Landlords, Property Managers and Employers to verify the background of their Tenants, PGs, Domestic helps, Housekeeping, Gardeners, Security Guards, Cooks, Drivers and Employees of all other sector to achieve a greater sense of confidence when allowing them to rent their place or employ them. . .

Allowing a new resident or employee into your property by having factual information at hand about the individual can help owners or employers make a better, more educated and rational decision.

How does Tenantverify.in work?

Documents Collection

We collect documents from your doorsteps and verify them before submitting to the Police Department.

Acknowledgement Receipt

We deliver the Police Verification acknowledgement receipt post submission of documents at your doorsteps.

Appointment

We guide the verifier for physical appearance in the local police station as per accurate process

Report Delivery

Finally, we deliver the Police Verification Certificate issued by Police Department at your doorsteps.

Our Service

POLICE VERIFICATION

Police Verification entails checking a person's criminal history to assess his or her trustworthiness through police database

IDENTITY CHECK

Identity Verification is a process that ensures a person's identity matches the one that is supposed to be

ADDRESS CHECK

Address Validation is a process of checking a mailing address against authoritative database to see if the address is valid

REFERENCE CHECK

A Reference Validation provides an additional level of information on a job applicant, above & beyond what it is listed on their resume

CREDIT CHECK

A Credit Check is when a company looks at information from your credit report to understand your financial health & behaviour

Why IsPolice Verification Important

When you are renting out your property without background check of your tenant, there is a possibility of you facing trouble in future

As an employer, employing someone without background verification, may put you in legal issues

Under section -188 of Indian Penal Code (IPC) The Police is empowered with the right to penalise the offender for non compliance of Tenant Verification with simple imprisonment or a monetary penalty or both

BE RESPONSIBLE AND VERIFY NOW
